PRESIDENT'S MESSAGE

I am delighted to know that Dhule Charitable Society's A.R.A College of Pharmacy is bringing out the first issue of its half yearly e-bulletin, “ARA Pharma”. This will act as a source of information and will update the students, staff as well as the parents on the advances in the area of Pharmacy and forthcoming events not only at the institutional, but also at the national level. I take this opportunity to address the parents, who have chosen our Institution to educate their wards. I am sure my committed faculty and staff will strive hard to transcend you all into prospective young Pharmacists with globally compatible skills and knowledge. Our focus is to achieve this commitment to you by bringing in the philosophy that industry and education must co-exist while knowledge and experience will continuously and dynamically keep the students performing at the peak level, present and in the future. The institute has adopted the best features of the education to equip you with attributes to succeed in fiercely competitive business world with grace and without compromising with universal values. I would like to congratulate the College of Pharmacy for this initiative taken by it, in ensuring the over-all development of the students and the others associated with it. This e-bulletin will act as a reliable source of information and ideas of the current happenings in the college and Industry. I am certain that this will keep the students well-informed of the advances and challenges they would soon face. Wishing you all the best in every endeavor to make “ARA Pharma” a success in the years to come.

Aashish Ajmera
President

PRINCIPAL'S MESSAGE

It gives me immense pleasure to present to you the first edition of our very own e-bulletin, “ARA Pharma” as I feel that this would expand the horizons of knowledge and creativity of the students. The newsletter aims at providing information and highlighting various advances and improvements in the field of Pharmacy. “Proud to be Pharmacist” it's our central tagline and top priority agenda, it's not mere sentence for us, but it is inspiration and line of work for us. We as institute taking all essential efforts so that society will realize and recognize the importance and necessity of this noble profession in developing civilization. Nevertheless it's more important to make students cognizant with responsibility and sense of credibility they possess as Pharmacist. Dhule Charitable Society's A. R. A. College of Pharmacy has left its mark on the map of North Maharashtra University, Jalgaon and is committed to providing excellent academic demands and extra-curricular activities, while balancing both the sectors perfectly. This is the sole aim and objective of introducing this newsletter. I wish the editorial board, faculty members and students all the best in this new venture, and also congratulate them for their dedicated efforts put in to bring out this newsletter.

EDITORIAL

I am feeling very glad to introduce our ARA Pharma e-Bulletin a compendium of all the broomming ideas which constantly surface within the institute. The field of Pharmacy has lots of opportunities for talented and dedicated people, some of which still remained unexplored. This e-Bulletin aims to keep the students updated with the continuous critical and competitive circumstances at college. The e-Bulletin also will focus on creating an awareness about various health issues. We, at the Editorial Board, will thus work towards fulfilling every aspect by publishing different activities of students , faculties and institutional events through this e-Bulletin.

“Positive Thoughts Generate Positive Feelings And Attract Positive Life Experiences”

So, with lots of positivity and optimism, we bring to you the 1st issue for the year 2016-17. Here at ARA Pharma e-Bulletin, we believe that positivity is the turbocharger of Life's engine. We believe that when each of us makes it a point to focus on the good things in life, they only get better. What better way to prove this than by looking at our college's first achievement this year! With extraordinary start to the new academic year, many more achievements are sure to follow! We must march on with this same unwavering faith in our abilities. Ever-ready to take on new challenges! Ever-ready to learn! Ever-ready to grow as individuals, as a college and as Pharmacists of New India! After all, the difference between Ordinary and Extraordinary is just that little “extra” ... We hope that this issue of 'ARA Pharma' rekindles many sweet memories of the months gone by and leads you towards new opportunities for growth! With this first issue of “ARA Pharma” by your side, here's another eventful year at our college!
