PRESIDENT'S MESSAGE

I am delighted to know that Dhule charitable society's A.R.A College of pharmacy is bringing out the e-bulletin has been issued yearly. This will act as a source of information and will update the students, staff as well as the parents on the advances in the area of pharmacy and forthcoming events not only at the institutional, but also at the national level. I take this opportunity to address the parents, who have chosen our institution to educate their wards. I am sure my committed faculty and staff will strive hard to transcend you all into prospective young pharmacists with globally compatible skills and knowledge. Our focus is to achieve this commitment to you by bringing in the philosophy that industry and education must co-exist while knowledge and experience will continuously and dynamically keep the students performing at the peak level, present and in the future.

The institute has adopted the best features of the education to equip you with attributes to succeed in fiercely competitive business world with grace and without compromising with universal values. I would like to congratulate the college of pharmacy for this initiative taken by it, in ensuring the over-all

Development of the students and the others associated with it.

This e-bulletin will act as a reliable source of information and ideas of the current happenings in the college and industry. I am certain that this will keep the students well-informed of the advances and challenges they would soon face. Wishing you all the best in every endeavor to make "ara pharma" a success in the years to come.
