In March 2020 all over world was suffering from viral infection of Covid -19 pandemic situations. So most of pharmaceutical companies were worked by taking social distancing and work from home guideline of central government of India. Pharmaceutical company were not allowing any visitors to enter in the company. So though we were eager to arrange a industrial visit but pharma company do not allowed us to visit their organization. But to avoid student loss we have arrange a special session on Google meet to show the students inside view and work process of pharmaceutical company.

We have also arranged a special PPT session of previous year industrial visit followed by question answer session.
