Primary Objective of the Guest Lecture:-

1. Selection of solubility improving method depends on drug property, site of absorption, and required dosage form characteristics.
2. to focus on efforts that can increase the solubility of a drug to obtain good drug efficacy.
3. To focuses on the recent techniques of solubilization for the attainment of effective absorption and improved bioavailability.

Details of Guest Lecture:-

The Guest Lecture was very interesting through participation of students, teaching staff. Students of B. Pharmacy, M. Pharmacy were present for the Guest Lecture on Drug Solubilization Techniques. He focuses on There are many kinds of solubility enhancement methods for modifying the solubility of poorly water-soluble drugs. Solubility is a most important parameter for the oral bioavailability of poorly soluble drugs, Dissolution of drug. The Guest Lecture also give information to students and staff about Various techniques are used for the enhancement of the solubility of poorly soluble drugs which include physical and chemical modifications of drug and other methods like particle size reduction, salt formation, solid dispersion, use of surfactant, complexation. The Guest Lecture was inaugurated by Dr. R. K. Maheshwari, Principal Dr. Rajendra D. Wagh, Dr. Ravindra B. Patil, Mr. V. L. Badgajar, Mr. N. B. Mahale, teaching staff and students.

Primary Objective of the Event:-

1. It will help them to locate an extinguisher quickly, giving them a better chance of bringing the fire under control.
2. To play a vital role in any fire protection plan in any environment.
3. How to use fire extinguisher material on emergency.
4. To understand the combustion process and different fire classes.
5. To understand **fire extinguisher** types, operating procedures.

Details of Event:-

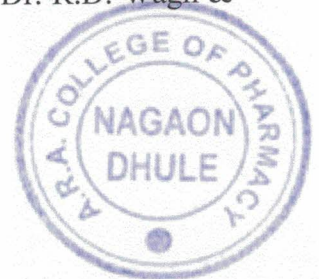

The Fire Extinguisher Demo was very interesting through participation of students, teaching and Non-teaching staff. The Fire Extinguisher Demo was inaugurated by the **Shri. Pandurang V. Patil**, Dhule Institute of Technology College of Fire and Safety Engineering, Nagaon, Dhule and his team along with the students, teaching and Non-teaching staff. Students of B. Pharmacy and M. Pharmacy were present for the Fire Extinguisher Demo. **Shri. Pandurang V. Patil**, gives information about using fire safety equipment's present with us and give demo for using fire extinguisher in front of students, teaching and Non-teaching staff. During demo students get information on understanding the importance of fire safety at college, student safety, and some of the challenges for the confirmation of the highest level of protection.

Fire safety training for pharmacy college students is crucial to equip them with the knowledge and skills to prevent and respond to fire emergencies, ensuring the safety of themselves, their colleagues, and patients. By understanding fire hazards, evacuation procedures, and proper fire extinguisher usage, students can mitigate risks and contribute to a secure environment in pharmacy settings. . The event was conducted under guidance of Principal Dr. R.D. Wagh & Vice- principal Dr. R.B. Patil.

Primary Objective of Rally on World Pharmacist Day

This year's theme aims to present opportunities to increase awareness of pharmacists as an intelligent solution for health services to meet future needs of health systems around the world.

The International Pharmaceutical Federation (FIP) invites colleagues from all sectors of the pharmacy profession to take part in the campaign and show the world how we are united for health, regardless of and overcoming conflict, different politics and cultures, and economic disparity.

Details of Rally on World Pharmacist Day

Dhule Charitable Society's Annasaheb Ramesh Ajmera College of Pharmacy, Nagaon, Dhule celebrated "WORLD PHARMACIST DAY" on 25th of September 2019. On behalf of this a Pharmacy awareness Rally was conducted on 25th September 2019 at Dhule City. Principal Dr. Rajendra D. Wagh welcomed all the staffs and students to the programs and given a brief message on this years theme. All the staffs and students who gathered, taken the pharmacist's oath followed by a pharmacist day rally to give an awareness to the public. All HOD's addressed the gathering and explained the importance of celebrating this day.

The rally started at time 11.00 am from Shivaji Maharaj Statue and ended at Mahatma Gandhi Statue, Dhule. The rally was flagged off by Principal Dr. Rajendra D. Wagh, Vice-Principal Dr. Ravindra B. Patil, Mr. Ravindra K. Bedmutha. Principal Dr. Rajendra D. Wagh had delivered a speech highlighting the importance and the role of pharmacist in public health care. More than 150 students and more than 25 staffs participated in the programs.

The Pharmacist day celebrations came to an end at 12.30 pm.

Program was dispersed with National Anthem.

Importance of the Guest Lecture:-

It is essential to understand the exam pattern and syllabus thoroughly. Make sure study from reliable sources like standard textbooks, study materials, and online resources. Candidates, who wish to attempt the GPAT exam have to check the GPAT Preparation Tips like as,

- To begin with, need to check the syllabus, important dates, eligibility and selection process.
- Along with these, manage preparation time.
- Next, list out the topics that make hard for preparation.
- Set a timetable
- Finally, Do not waste time going through all the study materials.
- Career Guidance and preparation for Drug Inspector qualifying exams

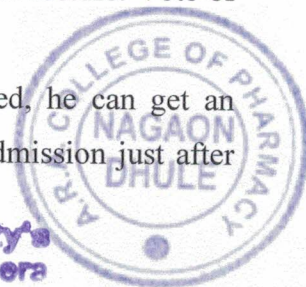

Details of Guest Lecture:-

The Guest Lecture was very interesting through participation of students, teaching staff. Students of Third and Final Year B. Pharmacy, M. Pharmacy were present for the Guest Lecture on GPAT preparation, Career Guidance and Development of Soft Skills. The Guest Lecture was organized on Topic GPAT preparation, Career Guidance and Development of Soft Skills on **10th October 2019** in Seminar Hall of the college. The speaker was Mr. Peeyush Jaiswal from Director GDC, Chhatisgarh.

Mr. Peeyush Jaiswal given valuable information about GPAT exam, GPAT Exam paper pattern, benefits of GPAT Exam qualification. Mr. Peeyush Jaiswal guided about all subjects involved in GPAT exam. Mr. Peeyush Jaiswal given ideas to remind structures, formulas. The lecture was very informative and all queries of students were solved by Speaker Mr. Peeyush Jaiswal. The students of Third, Final B. Pharm. and PG were present for the lecture. Vote of thanks given by Mr. N. B. Mahale.

Mr. Peeyush Jaiswal also clarified that If the student is research oriented, he can get an admission for Ph.D on the basis of the GPAT score provided you take admission just after PG. In that case, your GPAT score will be valid for three years.

Report on Red Ribbon Awareness Programmed

Event Details

Name: Red Ribbon Awareness Programme

Date: 17th January 2020

Organized by: DCS's A.R.A College of Pharmacy

No of Participants: 23

Introduction

On 17th January 2020, DCS's A.R.A College of Pharmacy organized a Red Ribbon Awareness Programme to mark the occasion of National Red Ribbon Day. The event aimed to raise awareness about HIV/AIDS, combat the stigma associated with the disease, and promote measures to prevent its spread. The programme was conducted with the collaboration of healthcare experts and social organizations working in the field of HIV/AIDS awareness and prevention.

Objectives

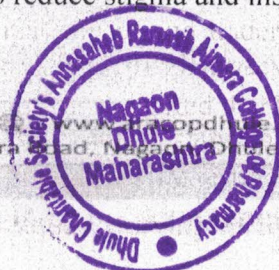

The Red Ribbon Awareness Programme had the following key objectives:

- HIV/AIDS Awareness:** Raise awareness among students and faculty about HIV/AIDS, its transmission, prevention, and available treatment options.
- Stigma Reduction:** Combat the social stigma and discrimination associated with HIV/AIDS, promoting a compassionate and understanding attitude towards individuals living with the disease.
- Promote Preventive Measures:** Educate participants about preventive measures, safe practices, and the importance of regular HIV testing.

Event Highlights

1. Expert Talks and Presentations Healthcare professionals and experts in the field of HIV/AIDS prevention and treatment delivered informative talks and presentations. They covered topics such as HIV transmission, the importance of early diagnosis, and dispelling myths and misconceptions about the disease.

2. Personal Stories of Resilience During the programme, individuals living with HIV/AIDS shared their personal stories of resilience, courage, and their journey towards acceptance and empowerment. Their stories aimed to reduce stigma and inspire others to seek help and support.

Date:

3. Interactive Workshops Interactive workshops were conducted to engage participants actively. The workshops focused on various aspects of HIV/AIDS, such as risk reduction, condom use, and the significance of regular testing.

4. Distribution of Informational Material To disseminate accurate information, informational brochures, pamphlets, and posters about HIV/AIDS were distributed among the participants. These materials provided essential facts and resources related to HIV/AIDS prevention and care.

5. Red Ribbon Display Red ribbons, the universal symbol of HIV/AIDS awareness, were prominently displayed throughout the event venue to signify solidarity with individuals affected by the disease.

Outcomes

The Red Ribbon Awareness Programme conducted by DCS's A.R.A College of Pharmacy yielded several positive outcomes:

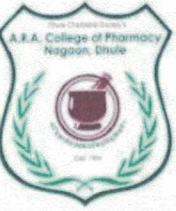

- 1. Increased Awareness:** Participants gained a deeper understanding of HIV/AIDS, its transmission, and preventive measures.
- 2. Stigma Reduction:** The programme contributed to reducing the stigma and discrimination associated with HIV/AIDS, fostering a more supportive environment for affected individuals.
- 3. Empowerment:** The personal stories of resilience inspired participants and provided hope to those living with HIV/AIDS.
- 4. Community Engagement:** The event fostered community engagement and collaboration in addressing the challenges posed by HIV/AIDS.
- 5. Promoting Healthy Behaviors:** The programme encouraged participants to adopt safe practices, seek testing, and make informed decisions about their sexual health.

Conclusion

The Red Ribbon Awareness Programme organized by DCS's A.R.A College of Pharmacy showcased the institution's commitment to raising awareness about HIV/AIDS and combating its stigma. By promoting knowledge, empathy, and preventive measures, the programme contributed to building a more informed and compassionate campus community.

Importance of the Eye Checkup Camp :-

It is essential to examine regular eye check up. Eye examinations **check for the visual function for proximal vision as well as distance vision.** Regular eye check-ups are important for the visual function for both proximal visions as well as distance vision. More than 75% of cases of blindness are preventable if they are identified in time. Several ocular symptoms and conditions once developed are very difficult to cure or irreversible at later stages. Hence a thorough examination of the lens retina and optic nerves is very important.

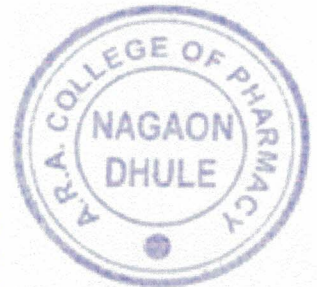

Details of Eye Check Up:-

The Eye Check Up was very interesting through participation of students, teaching and non-teaching staff. Students of B. Pharmacy, M. Pharmacy, teaching and non-teaching staff were present for the Eye Check Up. The Ophthalmic Division Team of Sharda Netralaya, Kamalini Wani Hospital, Nakane Road, Dhule were present for Eye Check Up. They focuses on detail eye check up. They check the sharpness of eye vision, blind spots in eye side (or peripheral) vision, pupils' reactions to light and close objects.

Importance of the visit to Forensic Science Laboratory:-

Forensic science is the application of science and technology to the detection and investigation of crime. Forensic science has shaped the world of justice, signifying the examination of crime with the help of modern and advanced technology. Forensic Science Laboratories play a vital role in resolving all civil and criminal cases. The main function of forensic science laboratories is to provide an unbiased scientific opinion on the different types of evidential material referred to them by the investigating agencies and in turn, help the judiciary. These evidence act as mute witnesses against the perpetrators and are impartial. A forensic scientist also helps police in the collection of the right evidence material from the scene of the crime, during the investigation. The Forensic scientists thus form indispensable scientific advisors to the investigation team. Their professionalism ensures that the independence and integrity of findings are in no way compromised by actual involvement in the process.

It is competent in carrying out any challenging scientific work related to crime. The directorate analyses varied crime cases under different laws like I.P.C., Cr. P.C, Indian Arms Act, NDPS Act, Explosive Substances Act, Petroleum Act, Mumbai Police Act, Essential Commodities Act, Bombay Prohibition Act, Motor Vehicle Act, I.T. Act, Wild Life Protection Act, TADA, MCOCA, etc and provide scientific-analytical reports.

Details of visit to Forensic Science Laboratory:-

A visit to forensic laboratory was organized by Dhule charitable society's A. R. A. College of pharmacy, Nagaon, Dhule on 22nd january 2020. A visit to forensic laboratory was arranged in the presence of Prof. Minal S. Patil, Prof. H. D. Mahajan, Prof. J. J. Lamle and Prof. H. S. Bhandari, students of T. Y. and Final year B. Pharmacy.

About Institute

Dhule Charitable Society established in 1901 and founded by Late. Aaisahab Kamalabai Ajmera. Ex. Minister Maharashtra State. Dhule Charitable Society has more than 100 years legacy in educational field. The DCS group of institution specialised in providing comprehensive teaching - learning facilities. In a wide spectrum. DCS's A.R.A. College of Pharmacy established in 1994 and our campus is sprawled in a well place 20 acres land. The campus nature is self sufficient for production of better quality students as per market demand.

Vision

Reaching towards preeminence in education by providing quality teaching and learning aspects with effective application of advance technologies to device and integrated framework that contains all the aspects of pharmaceutical education and research to develop an ideal pharmacist to serve humanity better than the best.

Mission

- To impart high degree of excellent in pharmacy education to cater the evolving need of the students, industries and the society at large.
- To create and evaluate innovative pharmacy practice to support pharmaceutical research to optimize quality of medication, cost effectiveness and healthcare.
- To stimulate an exceptional community of students, faculty and staff.
- To attain personal and professional growth and success.

About Conference

The Conference will highlight on various current advancements of standardization, techniques, and stability studies in herbal drug formulation which is the need of "Make India the Power House in Pharma". Indian traditional medicinal systems and folk medicine are a vast assembly of herbal formulations and medicinal plants and this is expected to continue at an impressive growth rate in the future. In the last few decades, the popularity as well as use of herbal medicines or herbal products has increased in worldwide. It is not only as the part of conventional treatment phenomenon but also for management of health care and thus it is opportunity to promote Indian traditional medicine is now increasing globally. A large number of current modern medicines are derived from the herbal or medicinal plants which are used in Ayurveda and other traditional medicinal systems. Herbal drug formulations are having capable of addressing some modern medical needs and they can provide the basis for developing potential medicines.

Expected Output/Benefits

It will provide an opportunity to pharmacy students, academicians and all the participants to improve academic and research skills relevant to the area of formulation and development. The participants will

academic improvement and professional excellence in the field of this area. The effectiveness and acceptability of the herbal drug formulation. Stability studies of herbal drug formulations are important to establish specifications to maintain its identity, quality and purity throughout the expiration dating periods. The aim of conference is to gather expertise from Academic, Research labs and Industry to provide their valuable understanding on design and development of Herbal Drug formulation. The aim of conference is also to throw focus on safety and use of Herbal Drug formulation.

Who can Participate

Delegates from academics, research, industry and students and faculty from Recognised Universities and AICTE approved institutions are welcome to attend the National conference.

Resource Person

Eminent personalities from Industries and Academics are invited as resource person to interact with budding scientist in the field of Pharmaceutical Sciences.

Programme Schedule

Time	Activity
9:00 am to 10:00 am	Registration and Breakfast
10:00 am to 11:00 am	Inauguration
11:00 am to 12:00 pm	Plenary Lecture-I
12:00 pm to 01:00 pm	Plenary Lecture-II

Regular Fee	400

Abstract Submission and Poster Guidelines

Scientific research papers on unpublished work are invited for poster presentation. The specification for abstract is
Font: Times New Roman, Size: 12, Space: 1.5" on A4 Size Paper
Title font: 14, All Caps, Bold
Author Name: Last Name followed by Initials, presenting Author to be underline. Bold and marked with asterisk along with e-mail and should be registered for conference otherwise the authors are not able to present paper and abstract will not be published in abstract book / CD.
Abstract Length: 250 words
Keywords: Less than 5 words
Send Abstracts to rahulshirole@gmail.com

Poster/Oral Presentation

Poster Presentation -
Size: 1X1 Meter
Font: Any clearly readable font.
Contents: Title, Authors, Affiliation, Introduction, Material and Methods, Result and Discussion, Conclusion and References.
Authors are instructed not to use A4 size paper for their Poster Presentation.

- We only support Powerpoint - Please do not send any other presentation. Please prepare your slides in 16:9 aspect ratio.
- A Laser Pointer or Power point clicker will be available.
- Candidates are also requested to carry presentation in Virus free pen drive
- Time limit for presentation is 8 minutes Presentation and 2 minutes Question and Answer.
- The abstracts for Oral Presentation will select by Scientific Committee and intimate to candidates through E-mail.
- Pictures and animations linked to the internet or to other files will NOT be accessible.

Awards

Best Poster/Oral Presentation awards and Appreciation awards.

Important Dates

Conference Date: 8th February 2020
Last Date for Abstract Submission: 5th February 2020
Last Date for Registration: 6th February 2020
Confirmation e-mail of Acceptance of Research paper will be send on 6th February 2020
