## INVITATION

DCS's A.R.A. College of Pharmacy organizing One Day National Conference on "Recent Advancements in Chromatography and Hyphenated Techniques" on 10<sup>th</sup> Feb 2018. Nationally acclaimed personalities have been invited as the resource persons for the plenary lectures to share their research, knowledge and expertise with the delegates.

The organizing committee finds a great pleasure to cordially invite you to participate in the conference, and your august presence will help us to attain the objectives of the conference.

With Regards  
Convener and Organizing Committee

## ABOUT US

Dhule Charitable Society (DCS) was established in 1901 under the leadership of Late. Aaisaheb Kamalabai Ajmera, Ex-Minister, Maharashtra State with the vision of providing quality education in Medicinal and Pharmaceutical Sciences. The society started Diploma in Pharmacy (1983), followed by B.A.M.S. (1989), B. Pharm (1994), M. Pharm (2007) and Ph.D. (2012).

The Trust has a blend of visionary leadership of Chairman Hon. Shri. Bhaiyyasaheb Ashishji Ramesh Ajmera. Our goal is to develop all sound meritorious professionals to meet their needs to global channels. The ARA College of Pharmacy is approved by AICTE & PCI, New Delhi; Govt. of Maharashtra and affiliated to NMU, Jalgaon. College is running in a spacious well equipped building of its Hostel, library and sports facilities. The college is regularly receiving grants from different Government and non-government agencies.

## ABOUT CONFERENCE

The main objective of the proposed national level conference is to create a scientific awareness among the students and academicians about the recent trends in the area of Chromatography and Hyphenated Techniques. It will also supportive to come over the fear and apprehension related to these techniques in students enabling them to meet industrial requirements.

## EXPECTED OUTCOME

It will provide an opportunity to pharmacy students, academicians and all the participants to improve technical, academic and research skills relevant to the area of analysis comprising spectroscopy and chromatography. The participants will achieve academic improvement and professional excellence in the field of this area.
