## **ENVIRONMENT CONSCIOUSNESS AND SUSTAINABILITY**

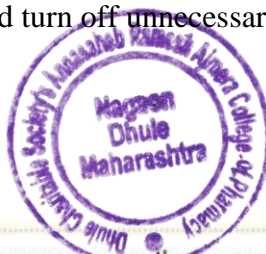

### **The Institutional Has Facilities for Alternate Sources of Energy and Energy Conservation Measures.**

The DCS's A.R.A College of Pharmacy has an energy use policy that aims to systematically manage energy to minimize its impact on the environment. The policy includes the identification of alternative, natural, and renewable energy resources to reduce the burden of cost and pollution and to provide a response to the impending energy crisis. The college is committed to reducing the use of electricity. We are committed to installing and using environmentally friendly electrical equipment that helps conserve energy.

The college uses energy saving devices such as LED lighting, energy efficient appliances, and electronic devices such as CCTVs, computers, etc.

#### **Policies:**

- Install energy efficient LED lights throughout campus to reduce energy consumption, reduce maintenance costs, and save energy and money.
- To regularly use energy efficient appliances over conventional appliances.
- To reduce air pollution on campus, we encourage the use of bicycles, public transportation, and pedestrian-friendly streets, and restrict cars from entering campus.
- We are taking further initiatives to continuously reduce energy consumption.
- Promote the use of new, advanced technologies to reduce energy consumption.
- We ensure that the necessary resources are available to achieve our goals.
- Actively collaborate with local organizations on energy efficiency and environmental protection. These organizations include government agencies, Municipal Corporation, and the affiliated college.
- Provide information and consulting opportunities on energy conservation measures.
- Encourage employees and students to participate in conservation initiatives and provide appropriate opportunities.
- Promote publicity and knowledge of conservation among our students by placing energy conservation boards and posters on campus.
- Maximize the use of daylight and turn off unnecessary lights.
