**7.1.3 Quality Audits on Environmental and Energy:**

DCS's A.R.A. College of Pharmacy (ARACOP) has taken initiatives to implement eco-friendly practices in the campus. A green campus is a concept where continuous efforts are taken to establish environmentally sustainable and eco-friendly practices. ARACOP is regularly engaged in a variety of eco-friendly practices in our campus such as tree plantation, installation of solar energy panels etc. Efforts are being made to develop the campus on green concepts, particularly concentrating on water conservation, use of alternative and renewable sources of energy, use of different energy conservation methods, solid waste management, E-waste management etc.

Scope of the Policy:

The Green Campus, Energy and Environment Policies will develop exciting new practices that encourage students in creating positive change. Green campus is achieved by making significant progress in the campus in collaboration with community. The Institute has performed various protocols and programmes under green campus initiatives.

Objectives of the green campus program:

- To protect and preserve ecological systems and natural resources within the campus.
- To incorporate environmental initiatives into policies, plans and programmes for social development and outreach activities.
- To continuously expand our contribution to climate protection and adaptation to climate change and to the conservation of comprehensive resources.
- Effective use of conventional sources of energies for daily power needs, appropriate disposal and handling of different types of wastes etc.
- Everyone at the DCS's COP will work together to encourage a beliefs of self-sustainability and make the whole campus environmental friendly.
- To constantly improve the effective use of all natural resources like energy, water etc.
